

COVANA

Sterling Leisure Products #50 – 12221 – 44th Street SE
Calgary, AB T2Z 4H3 Tel: 403-278-1010 Fax: 403-278-5777
www.sterlingcovana.com

Suggested Maintenance Schedule for the Covana:

1. For general maintenance, spray the telescopic posts with silicone spray. Do this as needed with a high quality silicone spray, we recommend 3-In-One, available at Home Depot and other retailers.
2. “Winterize” the unit in October or fall by greasing the jacks and limit switches with Loctite ViperLube High Performance Synthetic Grease.

For instructions and videos on the above, please see Sterling Leisure Products website
